

TV / VIDEO COMBINATION

14 PV 172

0 0 0 0 0 0 0 0 0 9 9 1

This stylish, all-in-one combi is carefully designed for the user desiring the utmost in ease of use, including ShowView programming, wrapped in a compact, space-saving package.

From the simple installation (no interconnection wires!) to the ergonomic, single Remote Control and the large, easy to read on-screen information, this combi delivers entertainment without complication. User convenience is further enhanced by such often requested features as Sleep Timer, Wake Up Timer, Childlock, Auto Repeat Play, front panel Headphone connector and NTSC Playback.

A convenient built-in carry handle makes the combi easy to move from room to room.
